Student's Feedback -

Vinayak Dundage, MBA-II year

It was really an incredible experience to interact with great personalities from corporate world. The whole program is based on practical approach toward what we learn in institute. Definitely it will help me a lot to prepare myself to face the corporate world.

Vishal Pawar, MBA-II year

BPE gave us a great opportunity to listen, to interact and to share thoughts with great personalities from the world of corporate. They have shared their valuable experiences with students, which enhance our thinking process. It was a good learning experience for us.

Vivek Shinde , MBA-II Year

BPE has been a very noble initiative by IICMR. The speaker addressed some critical issues and challenges faced by the industry and also suggested some techniques to face them.

Indrajit Sawant, MBA-II Year

“BPE has proved to be quite insightful in understanding the best & next practices. This event has triggered new ideas in our minds to perform beyond imagination and deliver beyond expectation” IICMR once again has done an exceptional job in organizing this event.
